

### **Notice of Price Change**

We at Mahogany Hair Revolution, Inc. have always been pleased to serve our customers. Customer satisfaction is our goal.

Each year there are slight increases in our expenses that are necessary for the operation of our business. Additionally, there have been some minor inconsistencies in our prices. As a result, you may find that some of your services have slightly increased. If you are concerned about the cost of your service, please request to review a copy of our current price list. We are confident, nonetheless, that you will continue to find the quality of our services even in light of some of our new prices to be reasonable, competitive and allowing us more flexibility to offer more appointment availabilities much sooner.

If you already have appointments scheduled we will honor our original pricing, but please be prepared to pay the new price during your next scheduled appointment.

Thank you for your understanding. We look forward to continued business together.
