

February 25, 2012

Dear Clients,

I'd like to thank you for your loyal and consistent patronage over the years. I wanted to let you all know that I have been afforded the wonderful opportunity to travel and teach this year more than ever. Soon I will be sharing my knowledge all over the world.

Due to the increasing demands of my schedule I will not be able to spend as much time in the salon actually doing hair. As of April 1st the prices for my services will be increasing. New prices are listed below.

Medium Twists w/own hair: start at \$95

Twist styles/Braid styles: start at \$100

Twist extensions: start at \$300

Cornrows: start at \$110

Individual Braids: start at \$350

Tree Braids: start at \$500

Lock Retight (interlocked): start at \$120

Lock Retight (palm rolled): start at \$95

I understand that the price increase isn't within everyone's budget, so I have been preparing my stylists to be able to accommodate my clientele with ongoing training and support. The other Mahogany stylists will retain the original prices for the services. I am confident that my stylists can deliver quality service in a more flexible time frame. You are welcome to choose the stylist you feel comfortable with or you can ask me for a referral.

I want to thank you in advance for your understanding and support as I enter this new phase of my career.

Dr. Kari
